## **FROM THE MINISTRY TEAM**

### **A Rushing Wind and Tongues of Flame**

I'm sure the older I get the faster time flies. Last week one helpful soul told me "the days will soon be getting shorter". It seems only yesterday that our churches and chapels were celebrating Easter and now it's a fortnight past Pentecost or Whitsun: the day when God sent the Holy Spirit to help support and encourage the disciples.

They had been on a roller-coaster adventure. Chosen by Jesus, they had heard and seen wondrous things; they believed he was the long awaited Messiah who would save their nation and change the world as they knew it - a world desperately in need of change. The journey took them to Jerusalem - their capital city - where they received a tumultuous welcome. Then it all went wrong: the Establishment murdered Jesus and the adventure was over. They were frightened men, hiding from the world, their dreams shattered.

But they stayed together, perhaps because they could think of nothing else to do, couldn't face going back to their old jobs. Who wants to be a fisherman, tax collector or even a rebel after all they'd seen and done. Perhaps they remembered Jesus' promise to send the Holy Spirit to be their encouragement and guide.

It must have been very strange to be eating their evening meal and suddenly feeling a great and violent wind rushing through the house; seeing tongues of flame above their friends' heads; feeling something entering their very souls, changing them forever. Then realising they had new and life changing skills with language. Fear had possessed them, but now they had a new courage, a sense of purpose and the will and ability to communicate Jesus' message to whoever would listen. Perhaps they just needed a physical sign, for I'm sure God never really left them. But He can change each and every one of us, and does it in ways that suit each individual.

People are often touched by the hand of God and have their lives changed. They see a need and somehow find the gifts, skills and courage to meet that need. Perhaps sometimes it is a physical sign, more often it's just seeing or hearing the needs of the world and their fellow humans.

I remember at my ordination feeling the enormity of the commitment and a sense of fear and inadequacy. Did I really have the qualities needed? Then I remembered Jesus' promise that I'd not be alone, and help is at hand if one just looks for it.

So when you see a need but think you can't help, don't have the skills, or are just afraid, remember the terrified disciples. You may not feel a great rushing wind, or see tongues of flame, but you will find the courage to do what is needed. May God bless you all on your journey to spread his love.

Bill Williams.

## **Weekly Pew Sheet**

Is there something going on in your village that others in the group need to know about?

The weekly pew sheet is distributed at services on Sunday and is an ideal way of publicising what is going on. Ann Crossland has kindly offered to collate this information.

If you have something that you would like publicising on the pew sheet, please let Ann know by 6.00pm on Tuesdays for inclusion the following Sunday.

You can contact Ann by email at [ann.crossland@btopenworld.com](mailto:ann.crossland@btopenworld.com)

## **BISHOP OF GRANTHAM'S LETTER**

Dear Friends

So by the time that you read this, Ascension will have gone, Pentecost will have gone, the Archbishops' initiative of 'Thy Kingdom Come', an eight-day call to prayer for the renewal of the Church and the confidence to share what we know to be true, placed between those two great Christian festivals, will be over, and the Church will have entered into what we unhelpfully call 'Ordinary Time'.

Of course, no such time exists for the Church, unless by 'ordinary' we mean a time when we simply get on with the business of being the Church that we are called to be: living, proclaiming and growing the kingdom as Jesus told those who would follow him would be their task.

I recently took part in the annual Christian Aid walk across the Humber, meeting half-way with the Bishop of Hull, who was coming from the opposite direction. We stopped and with others we prayed the simple prayer 'Your kingdom come, Your will be done'. Simple, but profound and what we're called to be about as Church - particularly when we also seek to be the answer to the prayer we've prayed.

Eight Days of Prayer was the call of the Archbishops; but what if we continued and went beyond that? So that 'Ordinary Time' became what it was always intended to be, 'getting on with the business', 'simply growing and doing the work' time. What if we each committed to stop, to find a quiet space, and to pray daily a prayer like the one below. I wonder how 'ordinary' that time would then be?

*Almighty God, source of our hope and of all good things; you have called the Diocese of Lincoln to be a healthy, vibrant and sustainable Church, transforming lives in Greater Lincolnshire. Lead us through this vision, give leaders wisdom and direction, equip your disciples to love you faithfully, others joyfully and to grow confidently through word and deed. So that through us the world may catch a glimpse of the love you have for each one of us, through your Son, Jesus Christ. Amen.*

+ David Grimsby

### **HACKTHORN C. OF E. PRIMARY SCHOOL**

There seems to have been more than enough publicity about SAT tests this year, but we try to keep the week as low-key as possible, with the emphasis being firmly placed on the traditional pre-test toast. Here is an interesting quote from someone who was actually doing them - when asked what was the worst thing about SATs, they replied "washing up after the toast".

A small group of year 5 and 6 pupils got together early in the term to take part in our first football tournament at Sturton. Excitement mounted throughout the tournament as they picked off the opposition, some from schools big enough to have 'A' and 'B' teams, eventually being narrowly pipped into second place. We were very proud of our happy few - their team spirit was fantastic, and they were excellent ambassadors to the school (as were their parents too!)

To celebrate the Queen's official 90th birthday, the Friends of Hackthorn School will be running "A Right Royal Tea Party". This will be a non-uniform day with a red, white and blue theme. The event will be open to the whole community between 2:30 and 4pm hopefully featuring the world premiere of dancing around the new Hackthorn maypole, as well as other musical contributions from the children.

Don't forget also our two pre-school afternoons on Thursday 23rd and 30th June (1:30 until 2:30pm), call us to book a place, and don't forget your teddy on the 23rd.

You can read about it all you like, but there really is no substitute for first-hand experience, and we're always happy to welcome anyone who wants to find out more about the 'Hackthorn Way' so why not contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look round our website at [www.hackthorn.lincs.sch.uk](http://www.hackthorn.lincs.sch.uk)

## **NORMANBY BY SPITAL PRIMARY SCHOOL**

It has been an incredible first term-the children have gone above and beyond, with engagement, attitude and learning. It culminated in various events, including Class 3 hosting an exhibition, which all of the parents came along to. They presented their learning, answering the essential question, 'What is the Universe?' It was extremely well attended and the children proudly showcased their learning, and expertly explained reports to Stephen Hawking, timelines, art work and dance. We are really looking forward to the second round of these exhibitions with all of the classes this term.

The children have come back with the same enthusiasm as always, they have settled back into school and have already achieved so much! The classrooms have been immersed for the new project themes, which has created a real buzz amongst the children. I have really enjoyed seeing their reactions and listening to them talk about what they enjoy about their new rooms. Please go on Twitter and see for yourself! Class 1 are carrying out projects about the Seaside, their essential question is, "Can you live under the sea?" Class 2 has a Hero based project, their essential question is, "Do you need special skills to be a hero?" and finally, Class 3 are learning about chocolate. They want to find out, "What is luxury?" I think they will have a delicious time finding out!

There will be a whole host of events for the parents and the local community to be involved in, feel free to check out website and Twitter and find out more details.

Our doors are open to anyone who wants to come and look around, but we will be having an OPEN AFTERNOON in term 6, so keep your eyes peeled for information about that.

Everyone is invited to our SUMMER FAIR on Thursday 30th June from 2pm -4pm, there will be something for all the family, including Boozy Barrel, teachers in the stocks, refreshments, games, tombola, cake stall, welly wanging, and lots more!

We can't wait to get stuck in to the Summer term

### **WELTON FAMILY HEALTH CENTRE NEWS**

The PDA Spring lunch held on 22nd April raised the magnificent sum of £598 for PDA funds. A total of 89 tickets were sold and we hope that all who attended enjoyed their meal. The cake, book and card stalls were well supported and the raffle made an amazing £249. Thank you to everyone involved in making the occasion so successful. The winner of the spring bonnet competition was Mrs Comerford who will be receiving 2 tickets for the Christmas lunch.

On Monday May 2nd, if you were around Welton village green you may have seen a number of PDA committee members huddled under the canopy of the PDA plant stall. Wet T- shirts and drowned rats spring to mind (rapidly followed by 'what am I doing here?'). What a day and how disappointing for all stall holders and the organisers after the brilliant day we all had last year. I'm sure The Black Bull and the Secret Garden tea room weren't complaining! We did however manage to raise £157.45 from the sale of plants and added a further £35 from a stall Chris Jackson put outside her home on Ryland Road. Thanks again to all who supported us.

Our eBay sales are still showing a good profit for PDA funds. If you have anything you think may be saleable and would like to donate it us please get in touch with me.

Our next big fundraising event will be the Autumn Fayre to be held in Welton Village Hall on Saturday 22nd October. The raffle is always a large part of this event so please give generously when buying your tickets. I already have some very good prizes promised but I am of course looking for more! More details of this event to follow.

Thank you for your continued support. We couldn't operate without your continued generosity.

Dates for your diary:

Autumn Fayre 22nd October

Christmas Lunch 9th December

These events all take place in Welton Village Hall and further details will be in forthcoming magazines.

If you require any further information on any of the above don't hesitate to give me a call (862570)

### **WELTON PATIENT AND DOCTORS ASSOCIATION (PDA)**

Following recent guidance we would like to advise parents that we will need written permission for anyone, other than the person with legal responsibility for the child, to bring that child for treatment to the surgery. This applies to grandparents, child minders etc. Forms are available in reception and on our website - please let us know if you are happy for others to act in loco parentis on these occasions by completing a signed agreement which will be kept with your child's records.

Pertussis vaccinations for pregnant ladies may now be given from 20 weeks gestation - please contact us to make an appointment if you think you require this vaccination.

We are always looking to improve our communication with patients and would like to maximise the use of text messaging opportunities. Patients are encouraged to sign up for text messaging reminders and especially so that we can use this method of contacting patients about annual reviews which are due. Please ask at reception or see our website for details.

DNA for April - 45 doctor appointments and 85 nursing appointments - 21.6 hours of wasted appointment slots. **Please let us know if you are not able to keep a booked slot so that others can use them.**
