## FROM THE PARISH PRIEST

Dear All,

I write these words following the first snowfall of winter. More specifically, the day on which I find myself preparing these thoughts for you is sometimes referred to in the press as 'Blue Monday'. Apparently January's Blue Monday is a time when we might expect the weather to be 'challenging', find that daylight is in relatively short supply, and reflect that the recent celebration of Christmas has been consigned to memory. It is said that Blue Monday is a day that is short of cheer, hence its title.

It falls to me, then, to help us to look forward. We might start by celebrating Candlemas, which we observe on the second of February. Candlemas marks the completion of forty days since the birth of Jesus and offers us an opportunity to think of the imagery and the power of light: that is, as we begin to notice greater amounts of daylight we may look to the light of Jesus Christ, the light of the world.

This light, and the light that we begin to see as we journey further into the year, is a beacon of hope for us in our lives. It shines as a beacon of hope and love, illuminating the paths set before us. And as we journey on in February we will also meet Shrove Tuesday, Ash Wednesday and the beginning of Lent, a hugely significant period of a further forty days, a period in which we can seek to draw closer to the Light of Christ, whether in the things that we might choose to give up or to take on during Lent.

It is a precious time, and it is a time in which we continue on our way until the glorious celebration of Easter at the end of next month. But we're not there yet. In the meantime we are to focus on the Light, allowing God into our lives, so that He may illumine our paths as we seek and look forward to the hope that will be found at the coming of a new dawn at Easter.

Therefore, let us look forward and prepare together, guided in love by the light and love of Christ.

With love to you all,

*Adrian Smith*

*A huge thank you to all of you for your support of the recent Stable Sleep-out. Your support has been hugely appreciated and I will let you know of the total raised for The Nomad Trust/Christian Aid soon.*

### **THOUGHT FOR THE MONTH**

A farmer had some puppies he needed to sell. He painted a sign advertising the 4 pups and set about nailing it to a post on the edge of his yard. As he was driving the last nail into the post, he felt a tug on his overalls. He looked down into the eyes of a little boy.

"Mister," he said, "I want to buy one of your puppies."

"Well," said the farmer, as he rubbed the sweat off the back of his neck, "These puppies come from fine parents and cost a good deal of money."

The boy dropped his head for a moment. Then reaching deep into his pocket, he pulled out a handful of change and held it up to the farmer. "I've got thirty-nine cents. Is that enough to take a look?"

"Sure," said the farmer. And with that he let out a whistle. "Here, Dolly!" he called.

Out from the doghouse and down the ramp ran Dolly followed by four little balls of fur.

The little boy pressed his face against the chain link fence. His eyes danced with delight. As the dogs made their way to the fence, the little boy noticed something else stirring inside the doghouse.

Slowly another little ball appeared, this one noticeably smaller. Down the ramp it slid. Then in a somewhat awkward manner, the little pup began hobbling toward the others, doing its best to catch up.

"I want that one," the little boy said, pointing to the runt. The farmer knelt down at the boy's side and said, "Son, you don't want that puppy. He will never be able to run and play with you like these other dogs would."

With that the little boy stepped back from the fence, reached down, and began rolling up one leg of his trousers.

In doing so he revealed a steel brace running down both sides of his leg attaching itself to a specially made shoe.

Looking back up at the farmer, he said, "You see sir, I don't run too well myself, and he will need someone who understands."

With tears in his eyes, the farmer reached down and picked up the little pup.

Holding it carefully he handed it to the little boy.

"How much?" asked the little boy.

"No charge," answered the farmer, "There's no charge for love."

## BISHOP OF LINCOLN'S LETTER

Dear friends,

The Christmas decorations have been down for weeks and the turkey leftovers are but a distant memory. It is easy, therefore, to forget that in the church we continued to celebrate the season of Christmas right through January - until February 2nd, in fact, the Feast of Candlemas.

Candlemas is a festival about light. Coming as it does at the end of the Christmas season, it is a time to give thanks for Jesus coming among us as the light of the world. As a sign of this, many churches bless the candles which will be used in church in the coming year, so that the light which shone out from the stable will continue to shine long after the shepherds have gone back to their fields and the magi have returned home.

Candlemas also commemorates the presentation of our Lord in the temple when, in accordance with Jewish custom, the infant Jesus was taken by Mary and Joseph to the temple forty days after his birth. As they did so, they were greeted by the aged Simeon who, the Gospels tell us, had been promised that he should not see death before he had seen the Lord's Messiah. When Simeon saw the infant Jesus, he took him in his arms and said the words which became known as the *Nunc Dimittis*:

*Lord, now lettest thou thy servant depart in peace; according to thy word: for mine eyes have seen thy salvation, which thou hast prepared before the face of all people: to be a light to lighten the gentiles and to be the glory of thy people Israel.*

Most of us don't need to try very hard to think of dark places in our world - or, for that matter, in our own lives. There are signs all around us - war, famine, unemployment, illness, bereavement, loss - the list is long and can seem overwhelming.

But present, too, are signs of the presence of the Light of the world - care, kindness, concern, love, friendship. These are all signs that God continues to be with us. The one who came as a light in the darkness is with us always. The light from the stable continues to shine and the dark places of our world are forever changed because of it. As St John's Gospel tells us, "The light shines in the darkness, and the darkness cannot overcome it."

## HACKTHORN C. OF E. PRIMARY SCHOOL

At the end of the very last day of term before Christmas, after everyone else had gone home, Mr Oyston started to look through the day's post. One item in particular caused him to sit up and take notice, it came from Rt Hon David Laws MP, Minister of State for School, and read as follows:

*"It gives me great pleasure to congratulate you on the excellent performance of your pupils in the 2012 national Key Stage 2 tests as published on the 13 December 2012.*

*The overall percentage of your pupils achieving Level 4+, combined with excellent rates of progress in both English and mathematics place you amongst the top performing primary schools this year. Mastery of English and mathematics is critical to success at secondary school and beyond, so these pupils now have a really good start for the next stage of their education.*

*I would like to congratulate your staff, governors and pupils for their hard work and success, and to thank you for your leadership in continuing the drive towards the highest standards of educational achievement."*

One of the main reasons we were so thrilled with this letter is because it acknowledges that the success of any school is not down to one individual, or even a particular group - everyone has a part to play in fostering the spirit of a school, and none of us should take it for granted that someone else is responsible for our children's education.

Don't forget that we are holding another of our Activity afternoons for pre-school children on Tuesday 26th March from 1:30-2:30 pm. These sessions provide a great opportunity to find out more about our school, but they are very popular, so please get in touch using the contact details below.

We are looking for a Midday Supervisory Assistant to work from 11.45 until 1.05 Monday to Friday for 39 weeks of the year, if you know of anyone who might be interested, please tell them to get in touch.

Contact the school on 01673 860295 to arrange a visit, request a School Brochure or you can contact us via the website [www.hackthorn.lincs.sch.uk](http://www.hackthorn.lincs.sch.uk).

# Joe's Expedition

My name is Joe Wass and in the summer of 2014 I am hoping to go on an expedition to Nicaragua and Honduras organised through William Farr School in Welton, Lincoln. Whilst on the expedition I will be helping an organisation called SONATI preserve the dry forest in Nicaragua. There is also a focus on helping nearby schools.

The cost of this expedition is £3,500, which I have to raise myself by doing various events and saving any birthday or Christmas money too. My planned events include jumble sales, discos, auction of promises, sponsored walks plus many other things as well. Check back at this website for details of upcoming events. Leaflets will also be posted in the local area. I will also be offering to do any odd jobs people may have to help raise the money for the expedition

## Odd Jobs

I am also looking for odd jobs to earn some extra money. They include: basic gardening, baby sitting, dog walking, snow shovelling, car washing, cleaning garages and I am open to more suggestions. Please contact me with any jobs you may have.

I will be hosting an Italian night on the 23rd of February 2013 where we will be serving a two course meal with a vegetarian option. At the end of the evening we will be doing a raffle all of which prizes have been kindly donated.

## THANK YOU

### Spridlington Village Hall

The committee would like to say a big thank you to everyone who joined us at fund raising events in 2012. Our aim, as ever, was to raise money to keep the Village Hall open in order that everyone can enjoy this lovely building and its facilities.

In October the always well attended Quiz Night raised £254; Quiz Master Joey once again set the challenges and provided an evening of great fun and conviviality for all who participated.

The Murder Mystery Evening in November was a resounding success, raising over £400. A big thank you to the amazing actors, the splendid food team and indeed the audience, who joined in with such gusto! Everyone agreed it was a memorable evening.

# NORMANBY & OWMBY

## NORMANBY-BY-SPITAL PARISH COUNCIL NEWS

Just to let you know a few of the things which your Council tried to rectify last year but are still waiting for:- Private Lane to have more permanent works done to repair to extremely poor state of the road. Repairs to the church wall to be finished off. White lines repainted at the end of Highgate Lane and round the bend by the church. Loose kerb stones repaired. A sign to direct people to the Normanby & Owmbly Cemetery. Public footpaths kept clear, especially the one from Chapel Lane to Caenby. Overhanging trees and hedges kept cut back.

These are just a few of the things your Council works on, then there are planning matters, the upkeep of the cemetery and of course the possibility of a parcel of land for a recreation area.

There was a very large turnout of residents who are against the proposed wind turbines being sited very near Normanby village - but where are these people when ordinary matters which do not directly affect them?

Your Parish Councillors need to know what you want or do not want, but can only do this if they have input from villagers.

So now Christmas is over and the new year has arrived do any of you want to consider what you could do to improve the community spirit? The Jubilee celebration was a great success due to villagers working together - do you want an annual event? What and where?

You can always contact any of your Councillors or me with any (sensible) suggestions.

One thing I would like to suggest is that everyone reads the Signpost as this is the best way to find out what is going on and I shall be posting this write up on both notice boards - so please look at the notices boards.

Anyway, may you all have a peaceful and healthy 2013.

Nadine Fox (Clerk)

## GLENTHAM PARISH COUNCIL

### NOTES ON COUNCIL MEETINGS HELD IN DECEMBER AND JANUARY

The Parish Council extends its best wishes to everyone in the Parish of Glentham for a happy and prosperous 2013.

For two months there have been **no crimes to report**, so thanks and credit go to the local beat team for its efforts in making the area safe for the residents. Speeding traffic remains an issue and the usual cautions are offered concerning the security of heating oil.

The decision on a proposed **wind farm** at Hemswell has been delayed by three months to allow the developer extra time to answer some objections. The protest group VOCAT, organised by Hemswell residents, continues to put up a vigorous defence and hopes to recruit the support of Mr Edward Leigh MP

A **laptop computer** owned by the Council is available for hire by local organisations at very low cost - please contact the Clerk if you are interested in using it.

The Parish Council has carefully calculated its expenditure for the coming financial year and is pleased to have arrived at the **same precept** as for the preceding two years. This stability in costs should be of value to households when budgeting in times of austerity.

### **Dates of next meetings**

The next Council meetings are scheduled for **Thursday 7th February** and **Thursday 7th March** at 7.30pm in the Village Hall. There is always an open forum for the public to raise any parish issues and everyone is welcome.

## VALENTINE'S FUNNIES

Q: What did the boy octopus say to the girl octopus?

A: Can I hold your hand, hand, hand, hand, hand, hand, hand, hand?

One morning Emma woke up with a start. Her husband Jim asked what was the matter, she told him, "I just had a dream that you gave me a pearl necklace for Valentine's day. What do you think it means?"

"You'll know tonight," Jim said.

That evening, Jim came home with a small package and gave it to his wife. Delighted, Emma opened it - only to find a book entitled "The Meaning of Dreams".

Knock knock!  
Who's there?  
Sherwood  
Sherwood who?  
Sherwood like to be your valentine!

From my handwriting identification skills, I have carefully deduced that Santa is my secret Valentine every year.

My dearest wife is always going on and on and ON about NOT making a fuss over her on Valentine's Day. She repeats that it's the thought that counts.

Well, I put a lot of thought into the gifts from previous February 14ths but she didn't quite take to any of them like I assumed she would. Here's my list - see what you think:

**Brand new mop and bucket.**

I was thinking it would be fun to see what colour the floor was because I couldn't remember.

**Romantic dinner at fast food restaurant.**

I was thinking that she might like to go inside for a change instead of getting dinner at the drive through.

**Chocolates left-over from last year'**

I was thinking of how proud she'd be of me for not wasting food. She's been nagging me for years to recycle.

**Midnight moped ride through the park.**

I was thinking that I'm getting too old to be peddling on the bike.

**Dozen roses printed on high quality photo paper.** (One of my favourites this) -

I was thinking these would last a lifetime instead of just a week.

**45 second back massage.**

I was thinking any longer and she might think I was interested in something else.

**Windows 7**

I was thinking how proud she would be to be a part of the technology crowd.

### **WELTON HEALTH CENTRE NEWS**

Lots of changes and challenges ahead in 2013! Firstly our Senior Partner, Dr Stephen Barton is due to retire at the end of March and an evening to mark this event is planned for Tuesday 19th March at 7.30pm in Welton Village Hall. A book will be placed in the surgery for those who wish to leave their personal messages to him and also a box for any donations which will be used to purchase something of his choice. After thirty one years as a Partner in the Practice, Dr Barton will be greatly missed by so many people. From 1st January 2013 we are pleased to announce that Dr Elizabeth Nellist has joined the Partnership as a half time Partner following her recent maternity leave and on 1st April Dr Alison Lumley (who has recently been doing locum sessions in the Practice) will also join as a part-time Partner. We expect Drs Porter and Gomez will be returning in the summer following their respective maternity leaves and by August we should be back to full strength. Dr Martin Attrup who has been working as a locum with us for the last five months moves on at the end of January and various other locums will be joining us to provide cover. Dr Jenny Glennon, our GP Registrar, also finishes in the Practice at the beginning of February and takes up a post at Navenby Practice. We wish both doctors all the very best and thank them for all their help and support. We had planned to move

our Open Access Surgery to earlier in the morning, something we have discussed with our Patient Group, but due to recent upheavals we have had to defer this until later in the year.

Changes to the wider NHS mean that Primary Care Trusts disappear from 1st April 2013 and Clinical Commissioning Groups become responsible for taking over much of their commissioning workload. For practices, this also means that we will have to go through tough procurement exercises in order to continue some of the services we have historically provided. The first of these relate to the provision of the anti-coagulation (INR) service we offer from the Practice and this is anticipated to take place in April. We understand that leg ulcer services and phlebotomy ( blood taking) will be the next services we have to bid to carry out, which makes for interesting times and difficulties in planning for the future. We know that budgets will be tighter but workload increases and expectations rise and difficult decision lay ahead, however we will endeavour to keep patients informed and involved as much as possible when any changes are considered.

Finally we still have some 'flu vaccines left and if you are deemed to be " at risk" please book in - don't wait for us to contact you!

Sallie Stead

### **WELTON PATIENT AND DOCTORS ASSOCIATION**

The PDA Spring lunch will be held on Friday 12th April in Welton Village Hall and tickets will be available during early March. Further details will be in the March magazine.

Looking ahead to later in the year we have booked Welton Village Hall for Saturday 12th October for the Autumn Fayre and Friday 6th December for the Christmas Lunch. Please make a note in your diaries now!

The patient transport scheme is still looking for a few more local drivers who can commit to one day a month to transport patients from their home to the surgery. If anyone feels that this is

something they might be interested in, please give me a call (leave a message if I'm out) for an informal chat. You won't be committing yourself and you never know, you might just enjoy it. No qualifications required other than a full driving licence, a road worthy vehicle, a few spare hours a month (flexible) and a desire to give a bit back to the community. We are a very friendly bunch and you can have as much or as little involvement as you wish. Think about it, what have you got to lose? I look forward to my telephone being red-hot!
