## LETTER FROM THE MINISTRY TEAM

Dear friends

Just recently I managed to shut myself away and work on a patchwork quilt that needs a lot of attention. Ten different fabrics, all neatly ironed and ready. Seems a shame to cut them up but that is just what happens. Cut into much smaller pieces and then stitched back together again. Some of you may have been involved in making some patches for Bernadette's project as she raises money for the charity established in grandson Jacob's name. Sometimes you can finish a quilt only to realise that there is a mistake that wasn't obvious at the time but now it's been spotted and it seems so obvious - how did that happen? The Amish people, a Christian community in Lancaster County, Pennsylvania are well known for creating simple, beautiful quilts. The quilters deliberately put a mistake in their quilts as they contend that only God is perfect. Which gives me great encouragement as my quilts have many mistakes! But mistakes in something especially in a quilt can lead to thinking about the piece in a different way and - if the mistake is spotted soon enough - to look at ways of making the most of it. When studying creative design, mistakes are not seen as mistakes but 'design opportunities'. I had many of those!

Of course the kind of mistakes we make in practical skills differ very much from those we make in daily life when we often fail to do our duties in terms of respecting or thinking more about those less fortunate than ourselves or giving time or consideration and support to those in our communities and wider world. This is part of the human condition of which we are all aware and most of us work hard at trying to overcome these failings.

Lent, which begins this year with Ash Wednesday on February 14th, is a time of traditional fasting but it is also a time when we can strive to do better for each other in thoughtfulness, consideration, compassion and love. God works for us and through us so let's make it a time to improve our whole being, and not just try to cut back on our indulgences of chocolates, cheese and alcohol and work on those design opportunities that God gives us.

To mark Ash Wednesday on February 14th, there will be a service of Holy Communion with the Imposition of Ashes at 9.30am at Saxby church. If that is not possible why not go along to the Cathedral that same evening for a similar service at 7.30pm? You would be most welcome.

God Bless us all

*Sally Turnbull*

## THANK YOU

On 14th Dec 2017 Janet Lilly celebrated her 80th birthday with a lovely buffet lunch with family and friends at The Crown in Glenham. Instead of presents she requested that anyone who wanted could donate to The Glasgow Children's Hospital Charity. This is the charity that supports research into children's brain disease and so benefits all sick children with brain conditions. Our four year old grandson has been a patient there for the last two years undergoing 13 brain operations so far. Janet raised £255 for the charity. A huge Thank You to her and all who donated - from Jacob and the hospital.

You can donate at anytime by going to [justgiving.com/fundraising/jacobchapman](http://justgiving.com/fundraising/jacobchapman)

The multi-coloured patchwork quilts I am making for the same cause can be bought for £30 or to order.

### PRAYER FOCUS FOR FEBRUARY

*God of compassion, you call us to come back to you in love. Cleanse our hearts, so that through our Lenten prayer, fasting, and giving, we might grow in love for you and our neighbours. Through Christ our Lord, Amen.*

## FROM THE OFFICE OF THE BISHOP OF GRIMSBY

Dear Friends,

'Well, if he thinks he's going to get me talking about my faith, he's got another thought coming!' The reaction of a churchwarden (not of this diocese) to the suggestion made by a particular bishop that they might have a mission in his diocese, where they tried to share what they knew of Jesus to people who had not yet made the same discovery.

It is a sad, but reasonably common, response. Faith seen as a private affair, something we're reluctant to talk about even with our friends, those we trust, let alone those we might not know as well. Maybe we're afraid of being asked questions to things we haven't got the answers for. Maybe we're afraid of being thought of as strange. For whatever reason we keep firmly quiet, which means those around us are prevented from discovering the treasures we know - the difference that Jesus can make in an ordinary life, even like ours.

By contrast, one of the things that all three of the bishops in our diocese are looking forward to this year, in response to a challenge from the Archbishop of Canterbury, is to work with our second-year curates and their parishes to see how, together, we can creatively, intentionally and appropriately share what we know to be true with those we are in contact with. That is, across the diocese, in a variety of ways, simply sharing what God means to us, in the hope that others will open themselves up to all that he might have for them as well.

We have a prayer that has been written for these events. Perhaps, at the start of this year, it is a prayer you could use too:

Almighty God, source of our hope and all good things,  
You call us in love to share in your work of making your love known to all.  
Bless, we pray, all that we do in sharing the story of your love  
with those amongst whom we live,  
that through us they may catch a glimpse of the love  
you have for each one of us,  
and find their place within it themselves.

With every blessing,

+Bishop David

## HACKTHORN C. OF E. PRIMARY SCHOOL

Thankfulness - that was the 'Christian Value of the Month' for the beginning of the new year, and what a lot we have at Hackthorn to be thankful for.

The children, when reflecting on the many exciting opportunities and activities which they have already experienced this academic year, were pretty much unanimous in voting the recent trip to 'Xscape' as their favourite (so far ...). Everyone had a great time on the ski-slopes of Castleford, although apparently the staff took the prize for making the most noise when they had their turn! Seriously, though, the children created such a good impression on their hosts that they were all rewarded with a selection box at the end of their visit.

Key Stage 1 have also been enjoying their trips to Witham Hill Gymnastics. Not only has this been a great way for them to keep active and fit, but we hear that their parents have been benefiting in unexpected ways, as one told us that their child is getting much more sleep after their trips!

All in all, it has been a very active term, as JB Sports have continued to visit us to provide multi-skills coaching. All this on top of a packed programme of learning all about letters and numbers .. and even a bit of Shakespeare too.

Looking a bit further ahead, we are holding an Easter Activity Afternoon for pre-schoolers on Wednesday 7th March from 1:30pm until 2:30. This is an excellent opportunity for all who are exploring their options for September 2019 to discover what our school is all about. Our pupils always look forward to welcoming all who attend these sessions, which are always very popular, so please book early to avoid disappointment.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure or visit our website at [www.hackthorn.lincs.sch.uk](http://www.hackthorn.lincs.sch.uk)

## NORMANBY BY SPITAL PARISH COUNCIL NEWS

The Parish Council met on Monday 8th January and apologies were received from DC Jeff Summers, CC Lewis Strange, the police and one Parish Councillor.

Reports were received from J Summers, the police, the Community Park Committee and the Neighbourhood Plan Steering Group.

The Clerk was requested to contact J Summers to ask if the consultation period for charging for the collection of green bins had been completed, and if so, what was the outcome. J Summers was also to be asked if any concessions have been made for the elderly and infirm, who may not be able to afford the charges but still do some gardening and have no means of getting their green waste to a depot if they do not have a car.

Highways will be asked to fill in the potholes along Highgate Lane and Private Road, and that the grass verges that meet the road be raised to the level of the road. Highways will also be asked for the roads to be swept as soon as possible and to spray off weeds from pavements and roads in the spring.

The 2018/19 precept was set at £2,800.

We are waiting for quotes regarding the relaying of the uneven slabs in the cemetery. A review of the cemetery fees was discussed.

**There is still a vacancy for a Councillor, so if you are interested, please contact Nadine Fox on 878148 of [nsdfox@gmail.com](mailto:nsdfox@gmail.com) for further information.**

The next meeting has been arranged for Thursday 15th March.

## **NORMANBY BY SPITAL PRIMARY SCHOOL**

What a great start to the New Year and new term at Normanby. The classrooms are looking fantastic, staff have, as always been hard at work. Discovery class are thinking about, 'What makes a hero?' and their room is full of flying superheroes; a dark Batcave; a soldier's trench and a hospital! The children have loved exploring it this week.

Voyager are researching water and thinking about whether it is, 'Essential for life or enjoyment'. You will need your goggles if you step foot in their room, it is underwater, with fish, seaweed and anchors everywhere! Endeavour's room is a complete disaster! With the essential question, 'Can we be superheroes?', they are looking at how we can survive natural disasters such as erupting volcanoes; terrifying tornadoes and deep floods. It promises to be fascinating! Check out our website for photos of our wonderful and engaging learning environments. The children are so lucky here to have such committed members of staff who work tirelessly to make them as exciting and immersive as possible. We look forward to seeing the work they produce over the coming weeks. You can see for yourself the fun and learning that takes place on our Twitter account: @normanbyspital or on our website [normanbyprimary.org.uk](http://normanbyprimary.org.uk).

We had a fun and busy start to the term and welcomed West End Productions into our school to share with us Beauty and the Beast Pantomime. All the children thoroughly enjoyed it, it was a great way to start the term. We have completed our first fund raising event in aid of Cancer Research by participating in the Winter Walk. The children wrapped up warm and enjoyed a stroll around the village pointing out places of interest to them. Year 5 and 6 children have safely completed their Bikeability award and now know how to ensure their bike is safe to ride and know how to cycle on the road with due care and attention.

Don't forget, our ever popular pre-school is now open full-time. Please ensure that you make enquiries as soon as possible to see if your preferred sessions are available. They are booking up fast!

If you are new to the area or are considering your child joining our school, please feel free to ring the school and book a time to come round, our doors are always open and we would love to meet you. Call the school on 01673 878216.

### **CALLING ALL RESIDENTS!**

We would like to put on an exhibition of the history of Normanby by Spital Primary School after the Easter holidays in April. We have so many wonderful photographs and historical artefacts that we would love to share with the local community and celebrate the school's rich history. It would be a fantastic opportunity for younger generations to see what the school used to look like and to hear from existing residents who used to come here as children.

If you have any photos, memorabilia of artefacts you would like us to exhibit, please let the school know. Pop in, call the office on 01673 878216 or email us at [enquiries@normanby.lincs.sch.uk](mailto:enquiries@normanby.lincs.sch.uk)

## WELTON HEALTH CENTRE NEWS

**TRAVEL FORMS** - For those patients that have already made plans to travel abroad in 2018, please remember to complete a travel questionnaire, available from reception or on the website. The Nurse will review your medical records to see if you require any vaccinations for travel. It is important you are seen as early as possible (at least 6 weeks before you travel) as a second appointment will be required with the practice nurse to actually receive the vaccinations. These vaccines have to be ordered as they are not a stock vaccine. Your second appointment needs to be at least 2 weeks before you travel to allow the vaccines to work.

Some travel vaccines are ordered on a private prescription and these incur a charge over and above the normal prescription charge. This is because not all travel vaccinations are included in the services provided by the NHS.

**PATIENT SURVEYS** - We are currently conducting our annual patient survey. The survey has been reviewed and approved by the Patient Participation Group Committee members at the January 2018 meeting. We would be grateful if patients would spend a few moments completing these for us and leaving them with reception.

On the survey is a section to sign up for text messages from the surgery. If you would like to receive confirmation of appointments, a reminder the day before your appointment and a reminder when your review is due then please complete a survey or let reception know and we can arrange this for you. The cost to the Practice to send a reminder letter is approximately forty four pence per letter and so a text message at a lower cost means that we are able to use these funds to develop other areas of the Practice.

**DNA's** - In December, 38 patients did not attend for their appointments with the doctors and 82 appointments with the nurses. Almost three days' worth of clinical time was lost due to patients not attending for their appointments.

Please let us know if you are unable to make your appointment. You can do this:

- In person
- On the telephone
- By leaving a message on our voicemail
- Texting the practice mobile
- Online

Thank you, as always, to those patients that did make their appointments, we appreciate your help and support.

**STAFF TRAINING** - The surgery will be closed for staff training from 1pm on Tuesday 13th February 2018 until 8am on Wednesday 14th February 2018 \*please note this is the second Tuesday of the month and not the third Tuesday as usual\*.

## WELTON PATIENT AND DOCTORS ASSOCIATION

First I have to say, a little belatedly, thank you to all the patients who sent Christmas cards and edible gifts for myself and the drivers and monetary donations for PDA funds. They are very much appreciated.

We keep saying 'it's for PDA funds' but some may be wondering what the money is actually spent on. All requests for surgery items are brought to our committee meetings by Nadina, the Practice Manager, and are then discussed, voted on and approved, or otherwise, on their merits. We aim to ensure that anything purchased from PDA funds will benefit a large proportion of the practice patients. I am sure that some of you will know that the chairs in the waiting room were purchased by the PDA and we have also provided the chairs in each consulting room. More recently we have purchased oxy meters and a portable examination light for use by the nurse practitioner and in the past we purchased the information screen and the booking in screen in the waiting room.

I will be visiting Stonecliffe Park Social Club on Friday 9th Feb at around 10.45am with a view to promoting both the text messaging service and the support to the PDA though the Co-op dividend card. I hope to meet some of you there.

The Spring Lunch is being held on Friday 27th April. We will be serving orange juice, steak pie and seasonal vegetables followed by trifle or apple crumble and custard, tea or coffee and mints. There will be the usual raffle, cake stall and books and cards for sale. Donations to any stall would be welcome and can be brought along on the day. Alternatively give me a call and I can arrange collection.

**On 1st February 2018, the PDA is pleased to welcome Kevin Gibson, Engagement Manager from NHS Lincolnshire West Clinical Commissioning Group to speak to the committee members about all things NHS, with a particular focus on updates on the Sustainability and Transformation Plan (STP), and further awareness raising of NHS services locally. The invitation is open to all patients of the Practice and the event will start at 7.30pm in the waiting room.**

**Dates for your 2018 diary**

**27th April** - Spring Lunch

**20th October** - Autumn Fayre

**7th December** - Christmas Lunch

If you require any further information on any of the above don't hesitate to give me a call (862570).

Warm, nostalgic musical-theatre of a reclusive hoarder and her strange but sweet ghost, who together in their ramshackle home collect real stories of strong and inspiring women lest they be lost to history. A glorious patchwork story-quilt forms the colourful backdrop to the play, each fragment of fabric a remembered life, some truly affecting and powerful. ### **Pause For Thought**

During my second year of nursing school our professor gave us a quiz. I breezed through the questions until I read the last one: "What is the first name of the woman who cleans the school?" Surely this was a joke? I had seen the cleaning woman several times, but how would I know her name? I handed in my paper, leaving the final answer blank.

Before the class ended, one student asked if the last question would count toward our grade. "Absolutely," the professor said. "In your careers, you will meet many people. All are significant. They deserve your attention and care, even if all you do is smile and say hello."

I've never forgotten that lesson... I also learned the lady's name was Dorothy.
