## WORLD DAY OF PRAYER

(International and Interdenominational)

We welcome everyone to the  
World Day of Prayer Service  
which has been prepared by the  
Christian Women of Slovenia.

This year the service is being held at

**Methodist Church**

Glenthams

Friday 1st March at 7:00 p.m.

The theme for this year is

**'Come - Everything is Ready!'**

Everything is ready and the invitation is for everyone - men, women and children of all ages to join this day of prayer. Women of Slovenia, one of the smallest and youngest countries in Europe, have prepared this year's service and they encourage us to reflect on the barriers they have faced since the end of the Second World War when their country was a part of Yugoslavia, a Marxist socialist republic. They share the challenges they have met and the hopes they have for the future.

*Everyone is welcome to attend the service.*

## LETTER FROM THE MINISTRY TEAM

Dear Friends,

### Pilgrimage to the Holy Land. Walking in the footsteps of Jesus.

The Pilgrimage to the Holy Land was a wonderful opportunity to put some flesh onto the names and places that are important in the story of our Christian faith. It was also a privilege to experience this diverse land and cultures two thousand years after the time of Jesus. Three full days in and around Jerusalem and three full days exploring the area around the Sea of Galilee made for a very full programme for 54 intrepid pilgrims from Lincoln Diocese. Each day began with morning prayer on the bus as we sped off to another site to walk in the footsteps of Jesus.

Many of the places we visited in and around Jerusalem were full of tourists and pilgrims from all over the world; from the Mount of Olives down through the Garden of Gethsemane to the church where Jesus was buried. Bethlehem was as busy and it wasn't always easy to find a quiet place to reflect on the significance of these places. Reflection has had to wait until coming home and certainly for me is still an on-going process.

Living as a Christian in the Holy Land today brings many risks and challenges. Palestinians, even though their home may be Jerusalem have to apply every three years for a permit to live in the city and a separate permit to work in Israel. These permits don't always run concurrently and can be denied at any time by the authorities. Imagine having to apply for a permit to live in one of our villages and another permit to work in Lincoln?

We visited the site of his baptism and held a moving service on the banks of the River Jordan during which we renewed our baptism vows. After this we travelled through the Judean desert, a most inhospitable area and where Jesus spent 40 days after his baptism being tempted by the devil. On the Sunday we joined the local congregation in Nazareth for their Eucharist. The service was conducted in Arabic and English. Singing hymns and saying prayers at the same time each in our own language created a wonderful togetherness of spirit. Oh... and how we needed to really focus on the words and how much more meaningful they became. We are so used to familiar prayers and hymns that we don't always take note of their meaning.

Personally, the highlight of the week was the visit to Capernaum, Jesus' base for his ministry and the journey across the Lake. Here was a distinct feel that this is where Jesus really was, the synagogue he taught in, the ruins of Peter's mother in law's house where he healed. Walking on the shores where he walked, seeing the rock on which he baked the fish after his resurrection and the journey across the lake were all powerful reminders that in this out of the way place God came among us to live as we live, to walk the same paths we walk and to share in all that makes our life unique to each one of us.

There are many experiences yet to share: the visit to the orphanage, walking the stations of the cross, visiting Emmaus and many more.

Watch out for the next instalment.

God bless us all.

*Sally Turnbull*

## HACKTHORN C. OF E. PRIMARY SCHOOL

Most of the pupils of Hackthorn School were really rather excited about coming back after the Christmas holidays thanks to the Young Voices event in Sheffield, which seems to have established itself on the calendar rather successfully. Even the parents who come along to support us did us proud when they displayed a fantastic homemade banner! The children were so excited to see it. Once again, our own school banner didn't go unnoticed, as it was one of the biggest in evidence at the event.

There seems to be something of a pattern emerging where, at around this time of year, our children receive some sort of reminder about what a positive impact their attitudes and behaviour can have on other people and how that can, in turn, benefit them in unexpected ways. This year was no exception when they had another wonderful school trip to Xscape in Castleford for some well-earned fun in the snow.

There were so many wonderful comments about the children's behaviour. The manager of the Soft Play Area even remembered us from last year, and once again they were all rewarded with a selection box each at the end of the day.

We are now looking forward to the annual visit by The Young Shakespeare company, who also tell us that Hackthorn is one of their favourite destinations. This year they will be performing and involving Key Stage 2 in their production of Hamlet.

Looking a bit further ahead, we are holding an Easter Activity Afternoon for pre-schoolers on Wednesday 27th March from 1:30pm until 2:30. This is an excellent opportunity for all who are exploring their options for September 2019 to discover what our school is all about. Our pupils always look forward to welcoming all who attend these sessions, which are always very popular, so please book early to avoid disappointment.

Contact the school on 01673 860295 to arrange a visit, request a School Brochure or you can contact us via the website [www.hackthorn.lincs.sch.uk](http://www.hackthorn.lincs.sch.uk)

### **NORMANBY BY SPITAL PRIMARY SCHOOL**

What an entertaining start we had to 2019 and our new term. West End in Schools came in and shared with us their production of Dick Whittington. The children watched with excitement as the actors brought the story to life right in front of them. There were plenty of opportunities for the children to participate in the panto themselves, so very enjoyable all round.

We are very excited to invite some new members of staff to Normanby who will be enriching our music curriculum as well as teaching Spanish. Front Row music are coming in and teaching every child in the school the ukulele, whilst another class receive a PE activity provided by JP Sports and the last class enjoy learning Spanish through songs and rhymes with Vicky Payne and minilinguals. We look forward to seeing their progress through each of these activities.

It is not only our children's work that is displayed in the school hall. Owmbly and Normanby Arts club have brightened up our hall with their amazing art work. We are planning a visit to our community artists to get some tips and hints. They meet in our school hall every Friday afternoon. If you would like any more details please contact us and we can give you further details.

Alongside the varied curriculum, the children also have the opportunity to attend after school clubs. This term we are pleased to offer, film club, football and gymnastics clubs. We do however, need a keen gardener. We are fortunate to have a poly tunnel and vegetable patch, which last year produced some delicious foods for the children to use in school or sell, thanks to our after school club. Unfortunately, the club is no longer running, and we have these wonderful resources that aren't being utilised to their best. If you, or know of anyone who would be interested in running a gardening after school club, then please contact us on 01673 878216 for more information.

We still have a few pre school places left for the year so please don't hesitate to contact the school if you would like to come and see what we provide and do.

**HAPPY NEW YEAR!!**

I have to comment on the lovely Christmas season we all enjoyed, with lots of festivities. The highlight being Santa magically appearing at our Christmas Party, taking time out from his very busy schedule to hand deliver presents to both children and staff.

The new year promises many exciting opportunities with lots of interesting topics for the children to discover the love of learning.

We start the new term by focusing on the children's interests with the topic Poles Apart, looking at animal who live at the north and south pole. The children have enjoyed making penguins, polar bears, arctic hares and foxes for our class display, playing in the igloo role play area, pretending to catch fish through a snow hole, then cooking them over a camp fire. Of course we will also be celebrating Chinese New year, Australia Day and Burn's night

Later in the month we will be looking at a baby's first 12 months of their life, learning about how to care for them and what they eat to make them grow.

We have started our rising five sessions, these are for the children who will be starting school in September, to help them prepare for starting schools. These sessions include a P.E Lesson each week which will teach the children to dress independently, recognising and writing their name, sound recognition through phonic games and guided reading.

**GREAT NEWS!!**

Following our most recent OFSTED inspection which took place just before Christmas, we are proud to inform you all that we have managed to maintain our rating of 'GOOD' in all areas.

Everyone worked really hard to achieve such a great result and will continue to do so, ensuring all your children have the best experiences during their time with us.

We do have some spaces available, but these are filling fast.

If you have a child who is pre-school age (2-4 years), and would like more information or to make an appointment to visit us, the contact detail are:

Telephone: 01673 860077, Mobile: 07856 752530 or email: [info@weltonpreschool.co.uk](mailto:info@weltonpreschool.co.uk)

**WELTON VILLAGE LIBRARY AND COMMUNITY HUB**

Did you realise there is a stunning reconstruction of a Saxon craftsman's home just a few miles from the library? February gives you the chance to find out more, Steve and Jude who are the creators of the Saxonhouse which is in East Firsby have been invited along for our latest Community Hub event. Their talk will cover why, when and how the house was built along with details of the lives of Saxons in 7th century Lincolnshire. Please come along and hear more on Tuesday 26th February at 2:00pm. Free admission, all welcome.

Just a reminder for those of you who also use Facebook we do have a page where you can also keep to to date including details of new books that the library service buys each month. Just search for Welton Library & Community Hub and 'like' us.
