FROM THE MINISTRY TEAM

As I write this, the Elton John concert has been and gone, the Queen's official 90th birthday celebrations are over, we are either 'in' or 'out' of the European Union, and we may have a little time to be normal before the summer holidays start in earnest. There has been much to celebrate and those celebrations are many and varied. Great though they are celebrations can get in the way of our normal routine and how often do we hear the comment "won't it be good to get back to normal."

But I'm not ever so sure what normal is. What constitutes normality for you? What sort of activities do you do on a normal day? Going to school or work, travelling, meeting people, preparing tea, cleaning windows (now that is definitely not normal for me!)... all are ordinary, normal activities and part of everyday life. Life though, can be upset by illness, work issues, holidays and all manner of interruptions which change the nature of what is normal.

Ordinary and normal doesn't mean dull or unimportant - though if it's cleaning windows that's another issue altogether! But not an unimportant one as I am always amazed at how much more can be seen when they have been cleaned! The view has lost it's haziness, I can see much further and everything seems to be in sharper focus.

"Everyday God" is the title of two books, both very readable. One written by Paula Gooder, the other by George Guiver, both books explore the nature of God being visible in the ordinary, everyday encounters of life. Encounters we have with friends, neighbours, at work or in our communities. *Everyday* suggests normal and ordinary and that is just where God wants to meet us. Paula is keen to point out that ordinary does not mean boring and certainly shouldn't be neglected.

If we have too many celebrations, life would become extremely hectic, there would be little or no time to tend to everyday tasks that are important to how we live. Those windows would become so dirty anything beyond them would be hazy and unclear!

We don't have to wait for a special occasion to encounter God, though of course we will meet him at those times too.

The church's year is a bit like this in that we are now in the middle of what is called *Ordinary Time* which occurs twice a year in between all the major seasons and festivals. Advent, Christmas, Lent, Easter, Ascension & Pentecost - seasons that give us a particular focus on God and Jesus. To be in celebratory mood all the time is not only exhausting but the impact of these occasions would be lessened and so the church sandwiches these seasons between 33 weeks of *Ordinary Time*. To have a period of ordinary time in between the special events helps us to concentrate on the day to day relationship God wants to have with us. It also serves as a reminder that it is very much in the ordinary that we encounter God.

Ordinary Time is an opportunity for us to seek God in our everyday lives, to recognise him in ordinary activities and to be open to seeing and encountering him afresh.

I really must have a go at those windows!

God bless us all.

BISHOP OF LINCOLN'S LETTER

Dear Friends

One of the many privileges of being Bishop of Lincoln is the joy of travelling round the beautiful counties of the diocese, discovering so many interesting places and meeting more inspirational and humbling people than I could ever number. During the month of July, I will be travelling much further than usual, however: to Fiji, to represent the Church of England at an international consultation. I will be one delegate among many from around the world, all of whom will be representing their part of the Anglican Communion. My fellow delegates and I will gather from dioceses and provinces as diverse as Brazil, The Philippines, Central Africa, The Indian Ocean, Aotearoa (New Zealand) and Polynesia, and Jerusalem and the Middle East, as well as from England.

We meet as delegates of USPG, a mission agency that believes that every person and every community should be able to live a full life. I will be travelling right around the world to attend the consultation, and meeting partners who face very different challenges from our own. Many of them face daily struggles with the effects of climate (or climate change), geography, war, poverty or famine. Yet I am struck by how similar USPG's belief is to our own desire here in the diocese of Lincoln to see lives transformed through an encounter with the living God.

As members of the same human family across the world, all of us created and loved by God, we are united by so much more than the things that might divide us. I continue to pledge myself to do my part in the building up of God's kingdom in our diocese, so that all the members of this part of the human family have the opportunity of a full life, and to become the people that God has created them to be.

May God bless all his people, wherever they may be, and may the message of his love for the world continue to inspire us in the work of transformation to which he has called us.

+ Bishop Christopher

SEEK THE LIGHT

Seek the light was the motto of the Market Rasen Secondary School that existed from 1937 to 1974. It is now the title of a book, telling in a lighthearted way, the story of those years. If anyone is interested in reading these reminiscences, please contact Tony on 01673 844108.

Tony is not out to make a profit, but a charge of £4.00 covers the cost of self publishing.

HACKTHORN C. OF E. PRIMARY SCHOOL

What can be more fun for young children than investigating small things with more legs than would seem reasonable to the older generation? Imagine, then, how much fun most of Key Stage 2 had when they spent the day at Whisby nature reserve learning all about the things that live in the water. Theory is all very well, but there's nothing like a bit of practical experience to really bring things to life, and the undoubted highlight of the day was the 'pond' dipping session in the afternoon... which came a close second to the real joy of the detailed examination of the contents of each groups' buckets afterwards. The sheer quantity of wildlife contained in a few buckets of fresh water was staggering, but the highlight was the greater diving beetle larva caught by one team - the first one seen at Whisby in over 4 years! All the children behaved impeccably throughout the day, something which, they learned, allowed them to do more than is sometimes allowed by the organisers, who thanked them at the end for their attentiveness and keen questioning during the various sessions.

Later in the month, there was another opportunity to get 'up close and personal' with some larger and even more 'exciting' members of God's creation, when Barry from Zoolab paid a visit with his array of snakes, spiders and other things with even more legs, which brought joy to the children and other feelings to the staff! Again, though, they did us proud with their sensible behaviour when interacting with some of the animals, and a lot was learned about exactly how many legs a millipede can have.

There's so much more we could have mentioned this month, but there's really only time now for the 'Tea Party' which was organised to celebrate our Queen's 90th Birthday. Much music and singing, as well as dancing around the maypole took place, not to mention the reasonable quantity of cake which was consumed. Thanks go to the Friends for the organisation of this, which many visitors commented on how nice it was to be part of something with such a traditional feel to it.

NORMANBY & OWMBY

NORMANBY BY SPITAL PARISH COUNCIL NEWS

At the Annual Parish and Annual Parish Council meetings held on Wednesday 18th May, apart from PCSO Angie Law popping in for about 10 minutes and all but one of your Councillors, not another soul turned up. Is there no one interested enough to attend to see how your Parish Council works? It was very disappointing.

Apparently there has been a problem with a drone flying around the village at night, which has disturbed a few villagers. A notice will be in the notice board and the Signpost so anyone who has a drone will know how to keep within the law.

The church wall repairs have still not been started, but we are continuing to remind WLDC. The new footpath on the west side of Main Street, which caused a lot of disruption during its construction, had to be "reconstructed". From the Big Society fund, CC Lewis Strange has very generously donated £300 towards repairs to the pathway through the cemetery.

Councillor Roy Bellamy was re-elected as Chair and Councillor Mrs Barbara Moulson was re-elected as Vice-Chair. As at 31st March 2016 there was £4,513 in the bank.

2 planning applications for Keepers Cottage, Main Street, were discussed and there were no objections.

OWMBY BY SPITAL PARISH COUNCIL

The Annual Parish Council and Annual Parish Meetings were held in the Parish Church on Thursday 19th May 2016.

Cllr Crompton-Howe thanked his fellow Councillors and the Clerk for their attendance and support throughout the year. He reported that WLDC have approved the scheme regarding the playing field. The matter is now with WLDC legal team. Normanby and Owmbys Parish Councils have appointed a solicitor. When the land is handed over, a committee will need to be formed to move the project forward.

Cllr Crompton-Howe also reported that a £300 grant has been received from Cllr Strange to refurbish the cemetery path. A toppling of the headstones is due to take place in the near future.

A meeting was held with Luke Brown from WLDC to discuss the possibility of producing a Neighbourhood Plan. One person has already expressed an interest in helping. More volunteers are needed. NB Cllr Summers and Luke Brown from WLDC have expressed the opinion that it would be beneficial to carry out a joint Owmbys and Normanby Neighbourhood Plan. Sadly Normanby PC have discussed it and decided they do not want to get involved with one.

Cllr Mellor raised the issue of a neighbourhood watch scheme. There isn't currently one running in Owmbys. He explained that the national neighbourhood watch website is very informative. The clerk explained that Normanby PC send a welcome letter to new people moving into the village and asked the councillors if this is something that they wish to pursue in Owmbys.

Charlotte Wright (Clerk)

NORMANBY BY SPITAL PRIMARY SCHOOL

We enter the final half term with a sunny spring in our steps, the sun is shining and we are ready to embrace the busy few weeks ahead! There is so much going on -it is going to be a very exciting term! I finished the last term so proud of all the children who managed to earn enough stars for the Star treat afternoon- they really have such a good attitude to learning and behaviour, This is due to the way the children embrace the school values, we have had a number of assemblies on these and have decided after consulting with the children, to add a couple of new values in to reflect the ambition and 'can do attitude' that the children have here at Normanby-by-Spital.

Our values are now: *Respect, Kindness, Empowerment, Determination and Excellence.*

We aim for all pupils to believe in themselves and reach for the stars to achieve the best that they can, this hopefully reflects those aspirations. These values are at the heart of our school ethos and will appear on our new website that will be launched this half term.

Spread the word!

We are trying our hardest to let everyone know about our wonderful school, you may spot some flyers being posted through letter boxes and banners going up. We want to spread the word about our fabulous school and let people know we are here, if you know anyone who would like to pop along and look around, please let us know-we would love to show people round. Call us on (01673) 878216. Don't forget if your child comes here, the council may offer free transport from some surrounding villages.

We are going to be having a number of building developments happening over the Summer holidays to improve the school layout-hopefully this will be completed in time for the big REBRAND LAUNCH in September! It is going to be quite an event, so watch this space for details! There will be a party on the way and everyone will be invited! We will be showing off our new logo and new uniform!

We are having a number of whole school community events-Our FONS groups are organising our Summer Fair, which the whole community are invited to. It is on Thursday 30th June from 2-4pm onwards, there will be Pony Rides, Bouncy castle, Boozy Barrel, Cake stalls, Welly Wanging, Teachers in the stocks, Tombola and FAIRGROUND RIDES! It really will be fun for all the family, bring anyone along and join in!

We are also having a Sports day on the afternoon of Friday 8th July from 2pm onwards-come in and support our children in this Olympic style Sports event!

Calling all Owmby Residents

Help your Parish Council to draw up a Neighbourhood Plan

Have your say on future planning, transport, recreation facilities within the village and anything else you feel your council should be considering.

This is the first time that with a Plan Agreed after detailed consultations with you, the residents and ratified in a village referendum, that we can say No to developments not in the Plan.

We decide what developments we need, what type, size location etc.

Without such a Plan, villages are vulnerable to developers / land owners putting forward their schemes, where they want them and to their design without any consultation with you, the residents.

With an agreed Neighbourhood Plan, if it is not in our Plan it will not happen.

We need your help to draw up the Plan. West Lindsey will guide us through it and funds are available for printing, meetings, professional advice etc.

This is your chance to help plan the future of your village.

If you feel you can help us then do please contact our clerk, Charlotte at

Glentham Village Hall held their AGM on Thursday 9th June 2016

The Village Hall Committee exists to raise funds to keep this wonderful old Village hall in good condition, and is available for hire eg Meetings, Birthdays, Anniversaries, Weddings etc. Over the last few years, fund raising and with the help of grant funds we have been able to re-furbishe the hall -phase 1 was completed in 2012, we continue to raise funds to complete our project - Phase 2 - which is a new roof, which we hope to progress later this year.

Committee members / New Volunteers welcome

We are looking for a Secretary who could commit to 1 to 2 hours per month to help at our meetings, we are also looking for new members...

You may feel that you would like to join our committee and become actively involved in the organisation of these fund-raising activities - we would love new members - or you may just like to come along to one of the many functions that are held at the hall, bring new ideas of social activities for the programme of events.

Whatever your level of interest, do join us. You will be made very welcome. The Village Hall is central to the village and a perfect place to meet friends, to celebrate occasions, to share food and fun. With your support, it will continue to flourish.

Please contact Vanessa Smith Tel. 01673 878816

Flix In The Stix

Glentham Village Hall committee have partnered with Lincolnshire-based non-profit organisation Blueprint: Film Foundation on their upcoming '*Flix In The Stix*' project, bringing monthly cinema screenings to seven rural locations across Lincolnshire, for 12 months.

Glentham Village Hall will host a range of fantastic films from a varied programme, including recent releases, award-winning films and classic titles. The film programme has been specially selected by the committee, in partnership with Blueprint: Film Foundation. Films will be screened by a technician on brand-new state-of-the-art equipment, transforming the local hall into a cinema for one evening a month.

There will be food and drink available on site, with proceeds going to the village hall committee. Films will begin at 7.30, but doors will be open from 7pm, so make sure you arrive early to grab your seat! Tickets will be priced at £3, with £1 of all proceeds being donated to the parish council for use within the community centre and local community. All other box office proceeds are put back into the community cinema, to allow it to continue running for a full year.

The next films of the current *Flix In The Stix* season are as follows:

Wednesday 6th July 2016, 7.30pm - The Dambusters (1954)

The Dambusters, telling the story of the "bouncing bomb", is an exciting historical title, with links to Squadron's here in Lincolnshire.

Wednesday 3rd August 2016, 7.30pm - *The Adventures of Tintin* (2011)

Directed by Stephen Spielberg and starring Daniel Craig, Andy Serkis and Jamie Bell the film follows intrepid reporter Tintin and Captain Haddock as they set off on a treasure hunt for a sunken ship.

Through Flix In The Stix, Blueprint: Film Foundation aims to provide a low-cost activity for communities around Lincolnshire without the hassle of travelling further afield into surrounding towns and cities. Blueprint: Film Foundation are an innovative community interest group with a passion for film. For almost a decade, they have been delivering a host of film and multimedia projects across Lincolnshire and the East Midlands. This project has been funded in part by the British Film Institute's 'Neighbourhood Cinema' initiative, and the 'Awards For All' Big Lottery Fund.

We are gathering donations in order to purchase a Defibrillator from L.I.V.E.S.

Situated on the wall by the front door of the theatre it will be accessible to the public, secured in a cabinet and simple and safe to use. No training is needed for its use as the machine gives clear spoken instructions. The defibrillator detects the heart's rhythm so it will not deliver a shock to the heart unless needed. WELTON FAMILY HEALTH CENTRE NEWS

This has nothing to do with the PDA but hands up who went to see Elton John at the Showground. What an excellent night it was despite the rain which didn't dampen the enthusiasm of the 17,000 loyal fans who had assembled there. I saw several familiar faces and hope that all who attended enjoyed it as much as I did!

Now to PDA business. Plans for the Autumn Fayre are now under way. Tables will be available to hire for a cost of £10 each. If you have a hobby, are a crafter or would like to sell on behalf of your own chosen charity, please get in touch with Roy Minnitt (860980) or myself (862570) asap. We get a number of repeat bookings from year to year so you need to act quickly if you want to be included this year. The only exclusions are cakes and food stalls as we have our own cake stall to raise funds for the PDA.

We will be looking for bric a brac, books, CD's and records along with bottles for the bottle stall, tombola items etc. Raffle tickets will be on sale from early to mid-July and we already have some excellent prizes donated. There will be more details in the next magazine.

Our E bay sales are still showing a good profit for PDA funds. To date we have sold approximately £1100 worth of goods and are still looking for any saleable items you would like to donate. Please give me a call and I can arrange collection. If you are not sure whether something you have would be suitable, just ask and we can let you know but suffice to say almost anything sells.

Dates for your diary:

Autumn Fayre 22nd October

Christmas Lunch 9th December

These events all take place in Welton Village Hall and further details will be in forthcoming magazines. If you require any further information on any of the above don't hesitate to give me a call (862570)
